

Appl. No. 10/800,747
Amdmt. Dated January 8, 2007
Reply to Office Action of October 25, 2006

REMARKS/ARGUMENTS

The Examiner has indicated that claims 3, 9, 23 and 25 to 27 would be allowable if re-written in independent form to include the limitations of the base claims. Claims 3, 9 and 23 have been re-written as such. All of the remaining claims depend upon one of these claims and as such should also be allowable.

Also, previously withdrawn claim 24 depends upon allowable claim 23 and should also be reinstated and allowed.

Previously withdrawn claims 28 to 32 are also narrower than the currently allowed claims and as such should be reinstated and allowed.

Favourable consideration and allowance is respectfully requested.

Respectfully submitted,

LIJIE QIAO
